# ESCYPAA 3 Welcomes

## ABOUT

ESCYPAA is the Empire State Convention of Young People in Alcoholics Anonymous.

The convention is a gathering of alcoholics in recovery of various age and background to take part in our primary purpose which is to stay sober, and to help the next alcoholic to achieve sobriety. We do this by showing the still sick and suffering that there is a way out by offering service opportunities, fellowship and a good time-sober.

Long Island is truly grateful to have the opportunity to host ESCYPAA III.
