**Meeting called to order at 920pm**

### REPORTS:

**Chair [Mercedes]:** The hotel notified us that the pool deck had collapsed and was structurally damaged and that they are closing the pool for the remainder of the year. I spoke to Ethan and advised him to talk to the guy and ask him to come down on price to compensate for the lost profit. Without the pool attraction we would get less people attending the convention, we did however get an update that the pool should be operational by the convention.

**Co-Chair [Chris]:**

The bid city liaison call took place on 6/20/19- all liaisons were present. We discussed ways to change the bid sessions to better serve escypaa as a whole. We came up with several idea options. I presented them to our chair so she can implement them when preparing her agenda for the weekend if she sees fit.

Billy and I chose the next date for the outreach call- Tuesday, July 2nd at 9:15pm. If any of you are available, please join us, the committees are asking great questions and can use your experience!

I will not be at our unity event, but I will be at the boat cruise and licypaa luau events. If any of you need a place to stay between the boat cruise and luau, my home on Long Island is open to you. I will see you all at the Bon Fire in August!

Thanks,

Chris

**STCYPAA [Andy]:**

I spent the weekend at sunflowers acres campout with stcypaa. As far as the bid packet they have been gathering theyre letters of support, missing only there local district. The main hotel contract is all set. They seem very healthy and growing in numbers. A lot of people showed up at the campout. Looked over the years financials and it's pretty solid with minor changes.

Thanks

**SYRYPAA [Billy]:**

Syrypaa is super super stoked for their field day this coming Sunday. PLEASE COME!! Their hotel chair reached out to holiday inn since last call. They reviewed the past outreach call at their last meeting and talked about the ways that were discussed to help with unity. They initiated a weekly meeting bomb and a froyo get together on meeting nights. Still working on co-host details with Oswego on softball game but it's coming together nicely.

Next outreach call is Tuesday, 7/2.

Is anybody still interested in contributing to bylaws Ad hoc? Anyone willing to be secretary?

**HVYPAA [Carolyn]:**

Haven't been in as strong of contact with HVYPAA as usual but bonfire planning is going well, I know there is a unity event coming but I'm still waiting for info on that. Bid book meetings are happening regularly and they're really strong in that

**WORCYPAA [Casey]:**

I reached out to WORCYPAA members about their event over the weekend they said they had a great turnout and made some money. Ive been working on getting some information on how the bid stuff is going. I'm going to try to get to their meeting very soon
