Meeting called to order at 920pm

REPORTS:

Chair [Mercedes]:

Nothing to report

Co-Chair [Chris]:

Next bid city liaison call is scheduled for Tuesday 7/16/19 at 9:15pm. Billy came up with a phenomenal idea and we are inviting the bid book chairs from the bid cities to join us on our call!!

Billy and I held an outreach call on 7/2/19. Only one person joined, Jen from stcypaa. We had a great conversation and we spoke about stcypaa. I'm sure our stcypaa liaison will catch us up on their upcoming events. But regarding the calls, I'm not sure if it was a lack of interest or if people just were not informed... so, I will make sure people are well informed about the next call, which will be our last outreach call before the convention. It will likely take place the first Wednesday in August. But I'll let y'all know the definite date in an email.

Unfortunately will not be able to attend our unity event. But I will be at the boat cruise and licypaa luau. And I'll see y'all at the bon Fire on 8/3!

Thanks,
Chris C

Web Chair [Dana]:

Nothing to report that I've actually done yet, but I am going to figure out how to add the international YPAA calendar to our Events page, along with language telling people how to directly submit fliers to the Web Chair to be posted to that page.

I also still have to look into more storage for all the files that I moved out of the Dropbox so it wouldn't run out of space. If anyone has suggestions for free online storage accounts, that would be great!

Any other web needs or suggestions, I'll take 'em.

Thanks!
