Hotel:

I have been receiving all the email updates from the hotel sales manager. As of right now we are at 94 room nights. It seems that it filling up slowly but we're getting there so that's a big plus!! Again if you haven't booked a room or you know anyone that would like to book one please encourage all!!! Also I have been in close contact with the bid book chair and chairperson of syrypaa to answer lots of questions.

Archivist: Archives live with Zach now.

Outreach:

Lots of events. I am trying to make it to as many events as possible and there's a lot. I was blessed and grateful to make it to the river float this weekend which was amazing. I believe there was 137 people there which may be a new record for that event!!!!!! I will also be "empowering" a sponsee to come to SYRYPAA's upcoming dance event 7/19 with me so I'll be there. I also plan on attending SYRYPAA's next event on 8/16 flyer to come to discord soon. I'm sure there's a bunch I'm missing I apologize if so.

Past Host Liaison: (HVYPAA)

We are working toward our burning desire bonfire coming up in two weeks. HVYPAA is excited and hoping lots of folks from advisory and other ypaas come. We struggled last year and took a big loss and this year is looking pretty rough, please help us outreach and fill your car up.
