

Business Meeting 9/29/25

- Meeting opened with moment of silence and serenity prayer
- Zach gives his report:
 - Will bring up talks with host in New Business
- Jeremy Hotels and Outreach report:
 - Meeting bomb with Syracuse, well attended a lot of good outreach
 - **Hotels:** 145 room nights roughly booked, push room bookings. Cut off for the ESCYPAA rate is Oct 14th
 - He attended Host's last business meeting, their hotel contact asked about booking 16 rooms for a separate party, which would count in our run of house... The committee voted unanimously to give up those rooms. Bookings are coming in, a little slow but encouraging. Pre reg's and scholarships: 343
 - **Outreach:** Host's big chilli cook off seemed to be a success both financially and spiritually!
 - Host is co hosting on Halloween Friday with a local Young People's meeting and intergroup– all proceeds going towards the convention.
 - SYRYPAA and ROCYPAA are co hosting a halloween dance, October 26th in Syracuse. \$10 reg's
 - Host will be attending a PA conference, Keystone Conference, to get some outreach.
- Erin with **Treasury:**
 - Bank accounts... Host account: 18,265.39, Host 12 account: 2,750 Advisory: 5496.74 (Each account, subtract 2000 for minimum)
 - Had a treasury ad hoc last week.. The purpose was to try and see **where cuts can be made without compromising the conference experience.** (Minutes from this ad hoc will be uploaded)
 - The plan is to go through and suggest what we can cut completely and reduce down to make the budget much more realistic.
 - Good news the budget appears to be heavily inflated with a lot to work with.
- Danielle Secretary: Report tabled due to illness.. Minutes will be given at the next meeting.
- SYRYPAA has a viable bid with 2 workable contracts. Ralph Nader(?), in Liverpool (NY) (former Holiday inn) as well as a Marriott in downtown Syracuse. As far as we know only bid going.
- Craypaa is non-existent at the moment and hasn't been communicative or responsive as a committee.
- Host wants to hold a vote at their next meeting to potentially bring in an outside recovery center to have a presence at their conference.
- Meeting close (technically no motion made because we did not have quorum).
