REPORTS

Chair: *No report received.*

Co-Chair: *...more will be revealed...*

Treasurer:

Current balances as of today:

Advisory: \$5,496.74 (less \$2,000 minimum = \$3,496.74 available)

Host 11: \$17,959.12 (less \$2,000 minimum = \$15,959.12 available)

Host 12: \$2,750 (less \$2,000 minimum = \$750 available)

Quick note – since these are Chase business accounts, each one needs to keep at least \$2,000 in there. The numbers above reflect what’s actually usable after that requirement.

On the Host side, I spoke with Joelle last week. Their treasurer stepped down, and Donovan, who was the alternate, has stepped up into the treasurer position. The previous treasurer has been fully removed from the bank account, and all the money platforms Host uses (PayPal, Zeffy, Chase, etc.) have had their passwords changed for security. Joelle picked up the money box from the previous treasurer.

Joelle mentioned that Host is going to need to revise their budget at some point. I asked if there’s anything we can do to support them, and suggested we check in again with them in the next few weeks just to see how things are going.

I will be setting up an outreach table for host at the LICYPAA campout this coming weekend.
